## Chapter 26 To 30

### Chapter 26

Tonight, Zhou Manchun is doomed to escape.

"Little cute, it's not good that you are so grumpy. Come on, I'll take you to eliminate the fire." After that, Jin Beisen quickly picked up Zhou Manchun and walked out of the bar.

When she walked out of the bar, a cool wind came. Zhou Manchun felt a lot more comfortable. She felt a little cool. She could not help leaning over Jin Beisen.

Why do you want to stick to Jin Beisen? Zhou Manchun is scared by her strange idea. She must be crazy.

When she was about to struggle, Jin Beisen had put her in the car. Zhou Manchun suddenly woke up, but the dryness and heat on her body were getting stronger and stronger. She kept holding on to her collar. The collar of her shirt was a little deformed by her pickling.

"You should want it now." Jin Beisen sat in the driver's seat and leaned over to help Zhou Manchun fasten his seat belt.

"I want your sister." Zhou Manchun gives Jin Beisen a fierce look and struggles to get out of the car.

But Jin Beisen had already locked the door, and his seat belt was accurately fastened. He said, "sit down."

Next, Zhou Manchun didn't respond at all, only heard the sound of wind blowing in his ear.

Yuezhuang hotel.

Jin Beisen parked in the basement, holding Zhou Manchun and jumped directly to the elevator at the front desk.

"It must be crazy. Hello, where are you going to take me?" Zhou Manchun panicked and resisted, but he had guessed the answer. Jin Beisen must take her to open a room.

13th floor, 1314 presidential suite.

"I don't need you to commit yourself. If you stay with me all night, it will be a reward." Jin Beisen pressed his finger on the door and it opened automatically.

"You have so many women, why should I accompany you?" Zhou Manchun watched the door closed and felt uneasy.

"So you mind that." Jin Beisen took her to the bedside, and there was a bad smile on the corner of his mouth.

"I don't mind if you think more." Zhou Manchun proudly said that even if Jin Beisen has a hundred women every day, she will not mind, because it is nothing to do with her.

"I don't mind better, neither do I." Jin Beisen jokingly said that he threw Zhou Manchun on the bed with his hands loosened.

Zhou Manchun felt her body falling heavily, but when she was leaning on the

bed, she realized a sense of crisis.

"You You bastard. " Just when Zhou Manchun wanted to get up, Jin Beisen had bullied him and took off his suit.

She could not move under Jin Beisen's pressure. She could only stare at him with vicious eyes. Jin Beisen sneered and leaned down to kiss Zhou Manchun's neck.

Zhou Manchun felt a current passing through her body, and her body was frozen. She tried desperately to push Jin Beisen away, but Jin Beisen was like a huge stone. She could hardly breathe.

"Don't struggle. I know you want it now." Looking at Zhou Manchun's lustful face, Jin Beisen thought to himself, this woman is really tolerable.

"Strong, traitors can't turn to you." Zhou Manchun said angrily.

"Is it? Then you can see if it's my turn." Jin Beisen is completely enraged by Zhou Manchun. What is strong? He can't be raped by the traitors? It's ridiculous. How many women are lining up to have a relationship with Jin Beisen? If he had not been clean, his children would have been able to form a class.

## Chapter 27

"You are a beast, Jin Beisen. You will regret it." Zhou Manchun said as she struggled, but she faintly felt that a desire in her body was becoming stronger and stronger, as if Jin Beisen was right.

"What do I regret?" Jin Beisen said with a sneer, his eyes are like ice of a thousand years.

"I'll sue you. I'll sue you. I'll rape me." Zhou Manchun said with a just face.

"Oh? Is it? Then I'll record our video later. When you go to court to sue me, it can be used as evidence. " Jin Beisen's tone is frivolous and his face is full of fickleness.

"Bastard, you are a strong, traitor." Zhou Manchun's tears had already filled her eyes. She had never been insulted like this.

Seeing Zhou Manchun's pitiful appearance, Jin Beisen almost moved his compassion, but the anger in his mind immediately watered his compassion, "Zhou Manchun, what do you pretend to be? Don't think I don't know. You want it now. "

On that night, Jin Beisen and Zhou Manchun had gone through the rain and covered the clouds. Zhou Manchun's background had already been known by Jin Beisen. Jin Beisen was very satisfied.

Just like being humiliated, Zhou Manchun roared with red face and red ears: "get out of here, Jin Beisen, get out of here."

"All right, roll, roll together." Voice just fell, air came "tear pull" a, Zhou Manchun's shirt was torn.

After the shirt was torn, Zhou Manchun subconsciously covered his chest with his hand. The white skin could be blown and broken. A ferocious scar on the left atrium made Jin Beisen's eyes stunned.

What a long scar. In those days, she was also in such pain. But why, she was the one who died!

"You let go of me, you scum." Zhou Manchun is so busy that she doesn't

know where to use her hands to block. Jin Beisen's eyes are so hot that the temperature on her face rises in a straight line.

Jin Beisen's lips suddenly raised an evil smile, "didn't you want me to roll?"

Zhou Manchun naturally can't resist Jin Beisen's strong entry. Her body has a tearing pain in an instant. Zhou Manchun angrily beats Jin Beisen's chest.

Jin Beisen's pupil suddenly fixed on Zhou Manchun's tears, which reflected his appearance. His eyes were bright, like the bright stars in the night sky. There was a warm smile between his eyebrows and eyes, and his thin and cool lips were aggressive to kiss her lips, with infinite possessiveness.

Long night, endless passion

In the early morning, the sunlight came into the room through the thick curtain gap. Jin Beisen had already woken up. He didn't have the habit of sleeping late, but the man in his arms didn't wake up.

After a crazy baptism in the evening, Zhou Manchun was tired again in his arms. Jin Beisen was very satisfied, and a smile was raised at the corner of his mouth from time to time.

Zhou Manchun's eyes are closed tightly, and her face is full of delicate but not beautiful breath. Jin Beisen is very moved.

Jin Beisen has never been able to stare at a woman for such a long time. Although he has a deep suspicion that Zhou Manchun is a pig and can sleep for such a long time, it has been two and a half hours since he opened his eyes. It seems that Zhou Manchun was really tired last night.

Finally, the woman in her arms moved. Zhou Manchun frowned and woke

up.

Unexpectedly, she was lying in the arms of animals when she opened her eyes. She recalled last night's events in her mind. After being insulted by Jin Beisen, she cried. Then she couldn't remember what happened. There was a pain in her lower body. Zhou Manchun's eyebrows were locked deeper.

## Chapter 28

"Good morning." Jin Beisen said in a low voice.

Zhou Manchun didn't pay attention to him, but turned around and didn't want to see Jin Beisen's face.

"What? You hate me that much?" Jin Beisen's smile was full of pride and happiness.

Twice in a row, Zhou Manchun has been eaten completely by him. What makes Jin Beisen happier is that Zhou Manchun's first time was his own. Isn't it a surprise?

"Ha ha, that's funny." Zhou Manchun smiled coolly and stabbed his words, thinking why Jin Beisen should ask such stupid questions.

"Open up the terms. Whatever you want, just say it." Jin Beisen said frankly that he felt that he should give her some compensation.

Zhou Manchun is silent. She clenches her lips and clenches her fists tightly. Jin Beisen feels Zhou Manchun's body shaking. He wants to calm her mood and put his hand on her shoulder, but Zhou Manchun coldly refuses.

"My father..." Zhou Manchun suddenly looks nervous and stares at Jin

Beisen.

"Don't worry, your father is fine now." Jin Beisen's sexy thin lips set off a warm smile.

Good dad, Zhou Manchun is also a suspended heart back to the original position.

Seeing Zhou Manchun's silence, Jin Beisen suddenly said, "get up, get dressed and I'll take you home."

Where would Zhou Manchun listen to him? She hated Jin Beisen at the moment, so she went into the quilt and ignored him.

"You don't get up, do you?" Jin Beisen's face does not change, but his tone carries the pride that I can't cure you.

Zhou Manchun didn't answer. He thought you should get out of here.

"Well, if you don't get up, do it again." As soon as the voice fell, Zhou Manchun got out of the quilt and sat on the bed.

Her sexy shoulders are round and white. Her hair falls on her clavicle. Zhou Manchun covers her body with a quilt and looks at Jin Beisen fiercely.

Jin Beisen's face was joking. Just now, he just made a joke. Who knows that Zhou Manchun got out so quickly? It's naive!

"You dress first, my clothes are broken." Zhou Manchun stares at his shirt on the blanket. There is a blush on his face. The shirt has been torn by the beast. How can I wear it!

Jin Beisen took a dress on the counter and said, "put it on."

Zhou Manchun is confused. How can there be skirts here? It's still such a delicate color. Zhou Manchun likes pink best.

"I'll change it in the dressing room. You can wear it here. Please let me out."  
Jin Beisen said with a playful smile.

Zhou Manchun turned around and closed his eyes tightly.

"Come out." Zhou Manchun stands in the dressing room and knocks at the door.

Jin Beisen's face is full of handsome smile. He is in a straight suit and looks very smart.

Hum, a man is a dog. Zhou Manchun turned a white eye and thought secretly.

Underground garage.

Jin Beisen walked ahead and came to a black Lamborghini sports car.

Zhou Manchun glanced at the Lamborghini of the satchel, and spit out a word coolly: "vulgar."

"You will soon be as vulgar as I am." Jin Beisen said with a teasing smile and a little pleasure in his tone. He was not angry at Zhou Manchun's words at all.

Zhou Manchun turned his head and said with disdain, "hum, no, never."

In such a moment, Jin Beisen seemed to see someone's shadow in Zhou Manchun's body, with naive childishness, so pure, so beautiful.

## Chapter 29

"Get in the car." Jin Beisen said.

Zhou Manchun obviously did not cooperate and stood there like a statue.

"Woman, do you know the consequences of playing with fire?" Jin Beisen smiled, and there was a feeling in his eyes.

"Sister, I have my own fire extinguisher." Said Zhou Manchun.

But in the next second, Jin Beisen's words from her mouth made her want to commit suicide, "yes, I've learned that your fire extinguisher is really easy to use."

Why? Why humiliate yourself?

Zhou Manchun feels that he has completely failed!

"Where is your home?" Jin Beisen asked as he put on his seat belt.

"Why should I tell you." Zhou Manchun clearly wants to face Jin Beisen. She is proud and charming.

She obviously didn't learn the painful lesson just now.

"Well, go to my house." Jin Beisen stepped on the accelerator and drove on the road.

"Hello, wait." Zhou Manchun tooted his mouth and thought that Jin Beisen's face was thick enough to build a wall.

Jin Beisen smiled softly. His handsome side face was like a walking

sculpture? Yes? "

"Happy community." Zhou Manchun spits out four words coldly, and never talks to Jin Beisen again.

In fact, even if Zhou Manchun doesn't tell Jin Beisen where her family lives, Jin Beisen knows.

Along the way, Zhou Manchun always looked out of the window. It was sunny and it was a good day, but her mood was not so beautiful. Maybe she was too sad to cry at all.

In the afternoon, Jiaru hospital.

Zhou Manchun is sitting in the outpatient room, waiting for the arrival of the patient.

Jin Beisen walked into the outpatient room with a pair of sunglasses and a stiff suit, which was very handsome.

Zhou Manchun didn't look up, but habitually took a swipe of the magnetic card, and Jin Beisen's name jumped out of the computer immediately. Zhou Manchun was startled and raised her head unswervingly.

I saw Jin Beisen, a young master, sitting on the chair with his legs crossed, his eyes squinting at Zhou Manchun.

"What's wrong with you, please?" Zhou manchunming knows that Jin Beisen is provocative, but he is her patient at the moment. She can't let him go, so she has to follow the procedure.

"I've had a little pain recently, but I don't know what happened." Jin Beisen

has a funny smile on his mouth, and his eyes are so straight on Zhou Manchun.

Zhou Manchun kept away from the sight and wrote with a pen on the medical record book, "what else?" She asked.

"No, that's all." Jin Beisen said as he unbuttoned his shirt.

Zhou Manchun was so scared that his eyes soon fell down. He quickly stopped him and said, "Hey, what are you doing?"

"Of course, you need to check it." Jin Beisen's face was full of cruelty and evil smile.

Jin Beisen's hands are fast. During the conversation, he has untied his coat and exposed his strong chest muscles. Zhou Manchun glanced coldly. He took a stethoscope and listened to Jin Beisen's heartbeat. Everything was normal. Then he pressed Jin Beisen's chest again. Jin Beisen's face was not painful or itchy. He was very happy.

If there is a real heart problem, Zhou Manchun just pressed those few times, which can definitely make people shout, but Jin Beisen not only didn't make a sound, but also enjoyed it, with a faint smile on his face.

I want to call the police. Zhou man is so innocent.

I'm not afraid to meet rogues, I'm afraid to meet cultural rogues.

## Chapter 30

"Well, after the examination, your heart has no problem at all. Take a good rest after you go back. If you still find any pain, come back to the hospital for further consultation." Zhou Manchun's simple and clear account shows that

Jin Beisen is here to play with him, and he doesn't care.

She is a doctor, a doctor with medical ethics!

"Is it? Are you sure my heart is OK?" Jin Beisen said suddenly with a serious face.

Zhou manchundun, suddenly solemnly nodded: "well, sure and sure, your heart is very good."

Having seen patients like Jin Beisen, Zhou Manchun felt that his heart was going to have problems.

"Then why do I feel heartache? It must be lovesickness." Jin Beisen said with a cynical smile.

Zhou Manchun naturally doesn't take it seriously. She hasn't been with Jin Beisen for a long time, but she has already seen Jin Beisen's true face, that is, a wolf in sheep's clothing. Zhou Manchun is too lazy to continue to pester Jin Beisen, and brush his card again to see off guests.

But Jin Beisen obviously didn't let her go so easily. He suddenly covered Zhou Manchun's back with his big hand and sent a warm touch. Zhou Manchun was shocked and quickly pulled away his hand.

Insert the magnetic card into the book, Zhou Manchun said with a smile, "president Jin, you can go home."

Jin Beisen didn't even button up his shirt, so he was exposed in front of Zhou Manchun. He smiled thoughtfully and said, "you're in such a hurry to drive me away?"

"I have a lot of patients behind me. Please don't be so headstrong."

"But as a doctor, you didn't find out what was wrong with me."

"What? Are you not convinced? " Zhou Manchun felt that Jin Beisen had quarreled with her. She put away her smiling face and accentuated her tone.

"Of course."

"After my examination, your heart has no problem at all. If you really want to have nothing to do, I mind you take a chest film first."

"How did you get into this hospital because of your poor medical skills and bad attitude?" Jin Beisen asked defiantly, and his long fingers began to button up.

Zhou Manchun stared at the computer screen and said coldly, "I suggest you go to the psychiatry department, or I'll help you turn around now?"

Jin Beisen didn't get angry. Instead, he said with a smile, "I can go to the dean and complain to you right away."

"I can't get it." Zhou Manchun said.

"You look so cute when you are angry. Don't worry. As your future husband, I won't embarrass you. I'll have dinner together at night, so it's settled."

"Hello, I didn't promise. I'm afraid I'll throw up when I eat with you."

It turned out that Jin Beisen made a big circle to invite him to dinner. Zhou man was really sweating.

"It doesn't matter if you puke. I can take care of you. I'll open another room by the way."

Zhou man's pure face was blue. He took Jin Beisen's medical record book and put it into his arms and said, "get out of here, get out of here!"

"At 5:30 p.m.," Venice restaurant "will wait for you." Jin Beisen left and left.

Zhou Manchun gasped for breath in the original place and was shocked by the pressure of saliva.

At the end of the outpatient service, Zhou Manchun went to the inpatient department to see the patient before work.

A lady in Chanel's new autumn dress was running in the corridor with high heels and a string of tears on her face.
